The chance discovery is made that President Elliot of Harvard can not milk a cow. Sooner or later an over-rated man is found out.

It would seem to be a wise economy on the part of the city to lop off from the pay roll all those inspectors who do not inspect.

Nearly \$30,000,000 is to be expended this year on automobile tires, not counting the value of the wind pumped into them.

Another knock-out blow for college co-education. If men and women cannot be educated together can they exercise the suffrage together?

Lackawanna is the highest-priced railroad stock in the world. The par value of its shares is \$50, and the price ranges between \$500 and \$600.

Wilfrid Laurier says that war between Canada and the United States is impossible. The premier got it right the first time. Real friends spat, but draw the line at cutting and slashing.

A Boston woman, we are told, has "embraced 23 different religions." It may be that up to the present time she has not found any that reciprocated.

To be tired may be foolish, as the psychotherapists say, but one cannot blame President Roosevelt for a feeling of relief as he gets a somewhat recalcitrant congress off his hands.

Telephone companies who want to abolish the word "Hello" will not find as much popular interest as would attach to the proposition to abolish the phrase "Line's busy."

Boston women have declined to take their hats off at a symphony concert. This is a great discouragement to people who go to concerts to see rather than to hear.

A man in Iowa wants a divorce from his wife because she persists in writing poetry and making him print it. This ought certainly to make out a good case of cruel treatment.

An octogenarian in Pennsylvania, father of thirty-odd children, has just married his fifth wife. He seems to be slightly anticipating the rejuvenating effects of radio-thor.

News from vessels in the Alaska trade will be published in a daily paper issued on the grounds of the Alaska-Yukon-Pacific exposition. The publication will be known as the Wireless, and will contain both local and foreign news received in Seattle by wireless.

A Boston inventor has succeeded, he claims, in storing up rays from the sun to make electricity. Perhaps in days not far off natural fog and cloudy days will be made bright by artificial sunshine kept in storage for such emergencies. This is a truly great age.

"The Daughter of the Regiment" has become a reality among the Italian troops. At the suggestion of the minister of war each regiment has adopted an orphan from Reggio or Messina, and the officers will defray the cost of their education and maintenance till they reach their majority.

We knew that if a country doctor ever went after the president in a horseback-riding contest, the president would be a has-been. He is beaten 22 miles by that physician of Piqua, Ohio, and the doctor is 65. Odds are that he carried saddlebags, wore leggings and did his equine prompting with spurs.

Now you have the data to decide whether or not Detroit women are political rustlers. Figure in the fact that several of their automobiles gave the speed limit the musical ha-ha and there were but two wheels down when they took the corners. Feminine enthusiasm is what put the distinguishing mark on election day.

The next innovation in Great Britain will be the establishment of a national labor exchange, where any one out of work can register his name and any one in need of laborers can procure them without cost. It is the same thing, on a larger scale, as the free employment bureaus conducted at state expense in many states of the union.

## A FATAL BOAT RIDE

OCCUPANTS OF CRAFT JUMPED UP WHEN IT DIPPED, CAUSING IT TO CAPSIZE.

### NINE PERSONS SWEEPED TO DEATH

Whole Family Lost in Swollen Susquehanna River—State Troops Trying to Recover Bodies, But as Yet All Efforts Have Failed.

Wilkesbarre, Pa., May 10.—William Andrews, of Port Griffith, Sunday, took two of his brothers, two cousins, his brother-in-law, his sister and two nephews, a total of nine persons in all, out for a boat ride on the Susquehanna river near his home.

The river is high on account of the recent rains, and the overloaded boat shipped water as soon as it got into the swift current. Some of the people in the boat, growing frightened, stood up, screaming for help, and the next moment the boat capsized.

Before people on shore could overcome their horror and get boats out into the river all of the nine had been carried away by the swift current and disappeared.

Some boys at play on the bank of the river heard the screams for help, but before a boat could be obtained the rowboat, in midstream, had filled with water and sunk.

One of the boys who witnessed the tragedy said Sunday night that the man who was rowing seemed to dip his oars too deep. This, he said, caused the water to splash over the side of the boat.

The woman, in order to avoid the water, started to move toward the stern of the craft. This shifting of the seas caused the boat to fill rapidly with water.

In a few minutes all were foundering in the rushing river. The two boys grabbed the clothing of their mother as the boat toppled over and the three disappeared almost instantly.

The river is high and the swift current carried three of the men to within 50 feet of the bank, while the others were drowned within a stone's throw of the scene of the accident.

The names of the dead: Thomas Andrews, Wm. Andrews, Theodore Andrews, Frank Marlonosky, Adam Struskus, Frank Ganofsky, his wife and two boys, John and Mitchell.

State troops are now trying to recover the bodies. All of Andrews' eight visitors were from Providence, Lackawanna county.

### NEGRO WAS HUNTED DOWN

And Then Identified By White Woman as Her Assassin—Prisoner Riddled With Bullets.

Jacksonville, Fla., May 10.—In the presence of Mrs. Andrew Deas, whom he had assaulted, an unknown negro was lynched in the suburbs of Jacksonville early Sunday morning. The assault on Mrs. Deas was committed about dark Saturday evening. Mrs. Deas was in the grounds of her home when the negro sprang from behind shrubbery and seized her. She fought desperately, but the negro dragged her into the shrubbery. After the negro left Mrs. Deas managed to reach the house and gave the alarm.

Her son organized a posse and the negro was chased with dogs all Saturday night. He was captured about 4 o'clock some miles from the Deas home and was hurried before Mrs. Deas for identification. "He is the negro," cried Mrs. Deas. As soon as Mrs. Deas announced that the right man had been captured, the posse began to pour volleys into the prisoner riddling his body.

Not satisfied with this, knives were used and the negro's head almost severed from his body.

The sheriff was notified that there might be a lynching and he hurried from Jacksonville to Deas' home, but when he reached there the mob had done its work, leaving the mutilated body of the negro in front of the Deas home.

Y., May 10.—Five Cornell students and one other young man were rescued from a watery grave Sunday afternoon when a party aboard the launch Dixie took them off a sinking sailboat in the middle of Cayuga lake after they had been in the ice-cold water for 20 minutes and had given up all hope.

### Double Accident Kills Negro.

New Orleans, La., May 10.—Robert Johnson, a young negro, was struck by a southbound Mobile & Ohio train at Artesia, Miss. He was hurled over the northbound track, apparently unhurt, when another train, traveling in the opposite direction, ran over him, killing him instantly.

### Arrested on Suspicion.

Pine Bluff, Ark., May 10.—R. B. Cain and S. Smith were arrested here Sunday and taken to Camden on suspicion of having murdered Mose Levy, an aged and wealthy merchant, who was stabbed to death in his store at Camden Saturday night.

Three Negroes Escape From Jail, Jessup, Ga., May 10.—Posses are scouring the county for miles around for three negro prisoners who escaped from the Wayne county jail here, leaving behind them Deputy Frank Maday dying from a fractured skull.

IT IS RUMORED THAT MUCH TREASURE IS BURIED IN THE SULTAN'S PALACE.

## WHITLA KIDNAPER CONVICTED

MRS. BOYLE'S TRIAL FOLLOWS THAT OF HUSBAND.

Verdict Quickly Rendered in Man's Case and Woman Now Faces Jury.

Mercer, Pa.—James Boyle, charged with kidnapping "Billy" Whitla, was convicted Thursday, after a trial lasting but a few hours. No defense was made and the jury was out but a few minutes. The penalty is from one year to life imprisonment. Mrs. Boyle was immediately placed on trial, charged with aiding and abetting the kidnapping.

The first witness called by the state in Mrs. Boyle's case was Miss Ella Boyle, a sister of James Boyle. Apparently from the line of questioning the prosecution wanted to prove by her that the kidnapping conspiracy was formed while Mrs. Boyle was visiting in Sharon with her husband and that she was implicated in it.

Mrs. Boyle took a prominent part in the selection of her jury, prompting her attorneys in numerous cases and evidencing a preference for young, unmarried jurors.

As she was being taken from the courthouse to the jail at the close of court yesterday, Mrs. Boyle was surrounded by a crowd of angry women, who threatened to attack her.

That Boyle's trial came to such an abrupt ending, immediately after the state had rested, was due to the fact that so strong a case had been made against him. From the night before the abduction when he was seen in Sharon, till the time of his arrest in Cleveland almost every movement he made was testified to by one or more witnesses. A man who hired him a horse and buggy, another who saw Boyle driving with "Billy" in the buggy, the barber who saw the two together and shaved Boyle's mustache off, train and electric railway conductors, who saw the couple on the way to Cleveland and identified them in court, all told stories which fitted in perfectly with that of "Billy" Whitla and left no doubt as to the part Boyle had taken in the case. The penalty is from one year to a life sentence in the penitentiary. Sentence has not been pronounced yet.

### Plot to Steal Governor's Son.

Oakland, Cal.—A plot to kidnap the eight-year-old son of Gov. Gillette was unearthed at San Quentin prison when it was found that J. B. Clifton, one of the most notorious criminals in the state, who is serving time for attempting the life of Detective Hodkins in Oakland, had completed arrangements with a confederate on the outside to steal the boy and hold him for ransom.

The price of the lad's return to his father was to have been Clifton's pardon.

### Celebrates Discovery of Gold.

Denver, Col.—Colorado celebrated Friday with fetes in Denver and other cities the fiftieth anniversary of the discovery of gold that started the great Pike's Peak stampede of fortune-seekers in 1859. The discovery was made by George W. Jackson near the present site of Idaho Springs, and the company he organized began the development of the first paying deposits 50 years ago. On May 6, 59 years ago the first recorded find of gold in the Rocky mountains was made in the district of Clear creek by Capt. John H. Gregory, a Georgia miner.

## AWFUL HORROR AT TARSUS.

Soldiers Aid in Slaughter of Christians by Armenians—Adana Still Lawless.

Adana.—Adana is still lawless. More people have been killed in the city. There are 30,000 dead in the Adana provinces as a result of the massacres, and 35,000 homeless and penniless refugees are wandering in the vilayet.

The deaths in Adana city alone are estimated at 6,500.

Adana is terrorized by 4,000 soldiers, who are looting, shooting and burning. No respect is paid to foreign properties. Both the French schools have been destroyed, and it is feared that the American school, commercial and missionary interests in Adana are totally ruined.

Tarsus, Asiatic Turkey.—Authentic details of the atrocities committed by the fanatical Mohammedans in the villages and farms in this district are now coming in to Tarsus with sickening abundance.

At least 10,000 persons lost their lives in this province, and some estimates place the total casualties at 25,000. Villages like Osmanieh, Bazsche, Hamadieh, Kara, Kristian, Keoy and Kezoolook were actually wiped out. Each of these places had populations of from 500 to 600 people.

Marash, Asiatic Turkey.—A letter received here by messenger from Harl says that every man there has been killed. Only women, girls and boys under ten years of age have been left alive. The churches and houses were plundered and most of them were burned.

### GET \$7,000 BY FRAUD.

Illinois Couple Alleged to Have Wrongfully Obtained Part of Estate in New York.

Hughes left \$26,000, and it was not known that he had a living relative. The man and woman from Illinois turned up and demanded the estate. They were in a fair way to get all of it when, after an investigation, James T. Williamson declared they were not related to Hughes and that relatives of Hughes live in Newark, N. J., and in Ireland.

## TRIAL FOR JUDGES

MURPHY SAYS HE WILL FILE IMPEACHMENT CHARGES AGAINST JURISTS.

### REPEATS CHARGES IN HOUSE

Declares He Will Attempt to Oust Phillips and McPherson from Federal Bench for Conduct in Missouri Railroad Rate Cases.

Washington.—Mr. Murphy of Missouri, following a speech in the house Thursday, said he would file formal charges of impeachment against Federal Judges McPherson and Phillips of the western district of Missouri, whom he accused in a resolution Monday of misconduct.

Incensed over a telegram to Attorney General Wickersham by Frank Hagerman, attorney for 18 railroads, in which Mr. Hagerman characterized Mr. Murphy's resolution of inquiry into the official conduct of the two judges, introduced in the house Monday, as "an outrageous tissue of misrepresentation," Mr. Murphy held the attention of the house with a repetition of the charges.

His colleague, Mr. Rucker, corroborated all that he said in denunciation of the action of the two judges in connection with Missouri's twenty passenger rate law and the maximum freight law. Incidentally Mr. Rucker remarked that Judge Phillips ought to have been impeached 20 years ago.

Mr. Murphy brought the matter up as a question of personal privilege.

Mr. Murphy had read some newspaper dispatches to the effect that Hagerman had telegraphed the attorney general of the United States alleging that the charges in the Murphy resolution were "an outrageous tissue of misrepresentation by one who had no knowledge of the facts." He said that he had confirmed the fact that such a telegram had been received by Attorney General Wickersham.

Mr. Clayton of Alabama, a member of the judiciary committee, objected, saying that the argument was not one of personal privilege.

Speaker Cannon ruled that Mr. Murphy was within his rights and could continue, but he had not proceeded far when Mr. Henry of Texas, another member of the judiciary committee, stopped him with an inquiry as to whether he did not intend to formally bring in charges of impeachment.

The Missouri member, however, did not give a direct answer, but continued his recital of the charges contained in his resolution.

Several times Mr. Payne, the majority leader, objected, saying Mr. Murphy could not yield for debate. Later he again objected on the ground that Mr. Murphy was traveling outside the issue raised by the Hagerman telegram and the preamble of the resolution.

Again in passing on the objection, Speaker Cannon ruled in favor of Mr. Murphy, remarking that "the telegram is pretty broad."

Continuing, Mr. Murphy denied that the state of Missouri had been accorded every courtesy in the rate cases, as was stated in Mr. Hagerman's telegram. The state, he declared, had no knowledge or notice whatever of the first injunction in those cases.

"I am asking the congress of the United States," he said, "to give back to us that government which you handed to us when you admitted us as a state in the union by requiring the federal judiciary in the western district of Missouri to proceed along orderly and decent lines in the execution of the law."

Both Judge McPherson and Judge Phillips declined to discuss the announcement that Representative Murphy will ask their impeachment.

### BRITONS THE BEST SHOTS.

John Bull's Riflemen Defeat Uncle Sam's 14,583 to 14,179 Points in Match.

Washington.—British riflemen in the international small bore match just ended, demonstrated their superiority over the Americans. The match was a friendly one with both sides on gallery ranges in the respective countries.

The targets were issued by the British Society of Miniature Rifle Clubs, were signed by the respective associations and interchanged, and the results announced by cable. Australia, the other contestant, has not yet been heard from but the National Rifle association of America, under whose auspices the contests were conducted in this country, is of the opinion that their scores will not equal those of the British team.

The British team made the grand total of 14,583 points out of a possible 15,000, or an average of 291 per man. The scores of the American team were 14,179.

## POET'S STATUE UNVEILED

MONUMENT TO LONGFELLOW IS GIVEN TO NATION.

President Taft and Other Notables Take Part in the Ceremonies at Washington.

Washington.—To the strains of "Hawatha" and "The Star-Spangled Banner," played by the Marine band, the statue erected to the memory of Henry Wadsworth Longfellow was unveiled Friday. The monument, which shows the American poet seated with a book in his hand, represents 12 years of hard and conscientious work by the Longfellow National Memorial association and the generosity of the public in coming forward with subscriptions to perpetuate in the national capital the memory of one of the nation's greatest poets.

The occasion was the more notable because of the presence of the president of the United States, members of the diplomatic corps, men distinguished in letters, and by practically all of the living relatives of the poet.

The statue itself is an artistic addition to the tributes to Americans who

have won renown in the higher arena of individual effort which adorn the national capital. It is the first statue erected here to mark distinguished services rendered to our national literature.

The statue, which is located in a small triangular parking at the intersection of Connecticut avenue and U street, is of heroic size, of pure white Persian marble, and the pedestal, in striking contrast, is of reddish brown marble imported from Scottish quarries. William Couper of New York is the sculptor.

Chief Justice Fuller of the supreme court of the United States presided at the unveiling exercises, and the invocation was delivered by Rev. Charles Wood, pastor of the Church of the Covenant. Addresses were delivered by Rt. Rev. Alexander Mackay-Smith, coadjutor bishop of Pennsylvania, on "The History of the Statue," by Maj. Gen. A. W. Greely on "Longfellow the Man," by Prof. Bliss Perry of Harvard university, on "Longfellow the Citizen," and by Hamilton W. Mabie on "Longfellow the Poet."

The statue was presented to the city by Brainard H. Warner, treasurer of the Longfellow National Memorial association, and was accepted by President Taft.

### 21 ARE REPORTED DEAD.

Duluth Hears the Steamer Shores Went Down in Lake Superior—Vessel Long Overdue.

Duluth, Minn.—Advises received here are to the effect that the steamer Shores, six days overdue at Duluth, went down off White Fish Point in Lake Superior with all on board.

The crew and passengers numbered 21. News of the destruction was brought to Duluth by the crew of the steamer Northland, who say that as the latter was passing White Fish Point on the way up they discovered wreckage strewn all over the lake and in their opinion it belonged to the Shores. The fact that she was a week overdue adds color to the theory.

The Adelia Shores belonged to the S. O. Neff Transportation Company of Milwaukee, Wis.

The gale in which the ship foundered last week and in which also the Aurania, the Russia and the Nester went down was one of the fiercest in the history of Lake Superior for this season of the year. The wind at times gained a velocity of 70 miles an hour. This, together with the fact that a violent snowstorm prevailed for three days, made navigation extremely perilous for ships that were caught away from land and in the trough of the sea.

### Taft Has a Sore Eye.

Washington.—President Taft appeared at the White House offices Friday wearing an eye shield over one eye. It was stated that on Wednesday the president got something into his eye. After suffering pain from it all day he finally consulted an oculist and had the source of the irritation removed.

### Kills Wife, Daughter and Self.

Everett, Wash.—James M. Dawson of Three Lakes killed his wife and 14-year-old daughter and then himself Friday. Mrs. Dawson arrived a few days ago from Arkansas.
